SYNCHRONIC SOUND powered by

SUPER HIGH TECH GAME
NEO-GEO

Super hero "8 MAN" dashes and flies at high speeds!

Emergency! Tokyo has been bombed! "Hachiro Azuma", the head of a detective agency has been called in by police to investigate. He transforms himself into "8 MAN", with electronic brains and an iron body. A super action game! High speed scrolling, numerous stages and super action give the player non-stop fun and excitement! Put yourself in "8 MAN'S" shoes and sense his quickness!

It's "8 MAN", a lethal weapon that far transcends nuclear power.

Don't miss bonus items!
Fight the attack of the evil robots!

Jump and dodge the enemy's attack.

Special deathblow is available during 2P simultaneous play. Buy-in option available.
